Click on the For Physicians and the top of the site then the Medview Physician Portal for Viewing radiology images or click on Cerner physician portal to access Powerchart and Firstnet.

The image shows a Citrix Access Gateway portal. On the left is a navigation menu titled "For Physicians" with the following items: "Medview Physician Portal", "Cerner Physician Portal", "History And Physical - Adult", "History And Physical - Pedi", "O.R. Consent Forms", "Anesthesia Questionnaire", "Anesthesia preop lab guidelines", "Radiology Exam Order Form", and "Standing Medical Orders". The "Medview Physician Portal" and "Cerner Physician Portal" items are circled in red. Red arrows point from these circles to the top of the main content area and to a "Log in" form respectively. The main content area features a "Welcome" login box with "User name:" and "Password:" fields and a "Log In" button. Below this is the "CERNERWORKS" logo and another "Log in" form with fields for "User name:", "Password:", and "Domain:" (set to "umcnet"), along with an "Advanced Options >>>" link and a "Log In" button. To the right of the second login form is a "Welcome to CernerWorks" message and a "Cerner Message Center" section.

Log in here to access Medview, and other UMC applications.
